ABOUT ME

I help you and your community engage in prayerful practices that restore loving connection with God, your true self, and others. As a spiritual guide, I offer safe space and transformational encounters designed to restore joyful, loving connection and help people thrive.

I've facilitated meaningful encounters with Jesus for hundreds of spiritual seekers. I'm a sought-after spiritual director, speaker, podcaster, blogger, and pray-er. And I'm author of the spiritual guidebook, *rooted (IN): Thriving in Connection with God, Yourself, and Others*.

WRITER

- Author of *rooted (N): Thriving in Connection with God, Yourself, and Others*
- Blogger and contributor to a variety of publications, susancarson.net/blog

SPEAKER

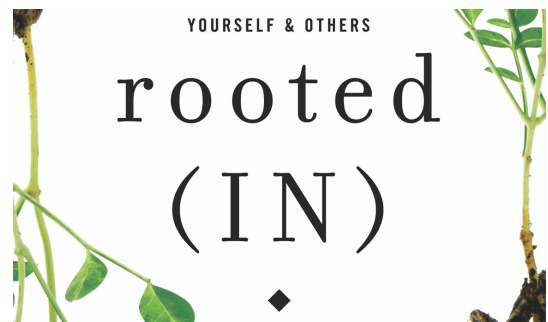

- Creator and host of the *rooted (IN).ten.tionally* podcast
- Conference, event, retreat and podcast speaker

PRAY-ER

- Founder and director of Roots&Branches Network in Cincinnati, Ohio
- Creator of individual and group listening, healing prayer, and soul care experiences

GUIDE

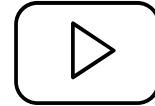

- Certified spiritual director through Sustainable Faith
- One-on-one spiritual coach and listening prayer guide

TESTIMONIALS

"For our retreat, Susan created an immersive experience that was life-changing for participants. People left, not just with content and notes, but with an encounter with God that people still talk about today."

Mandy Smith, Pastor and Author

"Susan's training gave our staff a scalable prayer tool that allows us to deeply connect with the people we lead. That's invaluable if you are responsible to lead people spiritually."

Matt Cooper, Back2Back Ministries

"Susan's work in facilitating healing, growth and a living connection to Infinite Love through practices such as 'listening prayer' is precisely what's needed in our era and culture of confusion, alienation and despair."

Dr. Bradley Jersak, Author and Theologian

"After Susan's training, we experienced bonds of deeper authenticity within the prayer team as well as miraculous breakthroughs with the people we serve. She empowered us to create safe spaces for healing to happen."

Jenny Phillips, Crossroads Mason
